

Terms of Use

Effective Date: January 1, 2017

Welcome to www.asmithco.com (the “Site”). The Site is provided by A. Smith & Co. Properties, Inc. (“**Producer**”, “we”, “us” or “our”). By visiting the Site or by participating in any of the activities offered on the Site, you agree to be bound by these Terms of Use. **If you are using the Site to submit any information or materials on behalf of other persons, you must have obtained authorization and permission from such other persons to submit their information and materials for consideration and use and you hereby agree on behalf of those persons that they will also be bound by these Terms of Use.**

We may, in our sole discretion, modify these Terms of Use without notice to you. If, at any point, you do not agree to these Terms of Use or any changes or updates thereto, your only remedy is not to use the Site and to cancel any accounts that you may have established to access the Site’s features and offerings (“**Account(s)**”). Your continued use of the Site after such changes or updates have been posted will constitute your acceptance of such changes or updates. We encourage you to check these Terms of Use often for updates.

You may use material displayed on the Site for non-commercial, personal use only, and may not copy, distribute, modify, transmit, reuse, re-post, or use the content of the Site for public or commercial purposes (including, without limitation, on social media sites such as Facebook, Instagram or Twitter), including the text, images, audio, and video without our written permission.

YOU MUST BE 18 YEARS OF AGE OR OLDER TO USE THIS SITE.

1. System Requirements.

Use of the Site requires a computer with Internet access (for which your ISP may charge you fees), and certain Internet browsing software (fees may apply), and may require obtaining updates or upgrades from time to time. Because use of the Site involves hardware, software, and Internet access, your ability to use the Site may be affected by the performance of these factors. High speed Internet access is strongly recommended. You acknowledge and agree that such system requirements, which may be changed from time to time, are your responsibility.

2. Registration and Passwords

Registration may be required to access or use certain parts of the Site. You may be required to submit certain personal information, including, without limitation, your name, zip code, and/or e-mail address. When you submit such information on the Site, you represent that you are at least 18 years of age and that you have the authority to register with the Site. **IF YOU ARE UNDER THE AGE OF 18, YOU SHOULD NOT USE OR CREATE A REGISTRATION ON THIS SITE.**

If you decide to proceed with registration and setup an account on the Site (“Account”), you may be asked to create a login ID/username (or you may be assigned a login ID/username), and we may request that you create a password. You are entirely responsible for maintaining the confidentiality of your Account information (including login ID/username and passwords). Furthermore, you are entirely responsible for any and all activities that occur under your Account. You agree to notify us immediately of any unauthorized use of your Account or any other breach of security (and to provide properly documented evidence as reasonably requested by Producer). Producer will not be liable for any loss that you may incur as a result of someone else using your Account, either with or without your knowledge. However, you will be liable for losses incurred by us or another party if someone else uses your Account, and will be responsible for paying all charges, including taxes, duties or other fees, incurred by you or anyone using your login ID/username and/or password.

Your Account is personal to you and you may not transfer or make available your Account to others or use anyone else’s Account at any time. If you distribute or share your Account or related information with anyone, we reserve the right to terminate and cancel your Account in our sole discretion.

3. Ownership of Materials on the Site

You should assume that everything you see, read, watch or download on the Site is copyrighted unless otherwise noted, and may not be used except as provided in these Terms of Use. You may not copy, download, upload, modify, reproduce, transmit, delete, add to, distribute in any way, or otherwise use for any purpose any of the content made available or accessible on the Site except as stated in these Terms of Use, on any Site, or with the prior written consent of the owners of the content.

Producer, together with its partners and/or suppliers, own the title, copyright, and other intellectual property rights in the software and associated content made available to you by the Site. Such software and content is licensed and not sold, and we, together with our partners and/or suppliers, reserve all other rights to the software and content not granted herein. You do not have ownership rights to any software or other content made available or accessible on the Site, regardless of how such software and content is used or downloaded. Producer does not warrant or represent that your use of software, content, and/or other materials displayed on the Site will not infringe rights of third parties not owned by or affiliated with us.

Any unauthorized use of any elements on the Site, including, without limitation, images, text, videos, logos, trademarks and data, may violate copyright laws, trademark laws, the laws of privacy and publicity, and communications regulations and statutes.

4. Software

Producer and its suppliers grant you a personal, non-exclusive, revocable license to use any software and associated content (e.g., text, images, video, graphics, music, sound) made available to you on the Site only for and during the authorized use of the Site

and/or the product to which the software and content relate. You may not copy, download, modify or create derivative works, publish, transmit, sell or attempt to sell or transfer, or otherwise use or exploit any software or associated content unless we or our suppliers have expressly allowed you to do so.

5. Your Submissions and User Conduct

We shall own any communication and/or submission(s) (collectively, “**User Submissions**”) made on the Site generally, including, but not limited to, any notes, reviews, bulletin board postings, ideas, suggestions, concepts, artwork, photographic images, audio and audiovisual works or files, and we (or our affiliates, licensees, assignees or designees) may adapt, change, edit, license, perform, sell, reproduce, disclose, transmit, publish, broadcast, post or otherwise use it as we see fit. Furthermore, you agree to grant us a transferable, perpetual, royalty-free license throughout the universe (including the right to sublicense) and we are free to use any ideas, concepts, know-how, photos, audio/visual content or techniques contained in any communication you send to the Site for any purpose whatsoever including, but not limited to, the production, distribution, exhibition, advertising, marketing, publicity, promotion, merchandising and other exploitation of any project or production, including using and sharing such information with third parties, in all media (whether now known or hereafter devised) on a gratis basis (including, without limitation, for no additional clearance fees, residuals, royalties or any other compensation).

You agree that you either: (i) own the rights to your User Submissions and the right to grant all of the rights in these Terms of Use; or (ii) you have all necessary rights from the owner(s) of these rights to enter into these Terms of Use and grant Producer these licenses. Upon Producer’s request, you will furnish Producer any documentation, substantiation or releases necessary to verify your compliance with these Terms of Use.

Unsolicited Submissions

It is our policy not to accept or consider creative materials, ideas, or suggestions other than those specifically requested. This is to avoid any misunderstandings if your ideas are similar to those we have developed independently. Therefore, we must request that you do not send Producer or post any original creative materials, such as screenplays, stories, original artwork, technical concepts, know-how or techniques. Any communication or material you do transmit to the Site by electronic mail or otherwise will be treated as non-confidential and non-proprietary.

By transmitting or posting an unsolicited submission you agree that you are not entitled to any compensation, credit or notice whatsoever with respect to such submission, and that you waive any right to make any claim against Producer, our parent company(ies), subsidiaries or affiliates, including the commissioning network, relating to our use of such submission, including, without limitation, infringement of proprietary rights, unfair competition, breach of implied contract or breach of confidentiality. You are solely and fully responsible for the content of any of your User Submissions to the Site.

6. Downloading Material from the Site

You are permitted to download only those materials specifically available to download from the Site, if any. Such material may only be used for personal, non-commercial home use, and for no other purposes (including, without limitation, for use on any social media sites). You must not remove any logos, notices or credits on the downloaded materials or delete, add, or otherwise modify the content of any such downloaded materials.

7. Trademarks.

The trademarks, logos, and service marks (collectively the “**Trademarks**”) displayed on the Site are registered and unregistered Trademarks of Producer, and/or others. Nothing contained on the Site should be construed as granting, by implication, estoppel, or otherwise, any license or right to use any Trademark displayed on the Site without our written permission (or that of a third party that may own the Trademarks displayed on the Site). Your misuse of the Trademarks displayed on the Site, or any other content on the Site, except as provided in these Terms of Use, is strictly prohibited. You are also advised that we will aggressively enforce their intellectual property rights to the fullest extent of the law, including seeking criminal prosecution.

8. Partner Site/Linked Site

The Site may provide links to other website(s) for your convenience and enjoyment. Please note that if you access other website(s) through such links you do so at your sole risk. We do not review, endorse, or control any content, advertising, products, services, or other materials on or available through the Site, nor are we responsible for any viruses, Trojan horses, or other items of a potentially destructive nature that it may contain. Your correspondence or business dealings with advertisers, partners, or other third parties through any site(s), including payment for and delivery of goods or services, and any other terms, conditions, warranties, or representations associated with such dealings, are solely between you and such third parties.
